Welcome to the Wiki!

Welcome to the River City Rainbow Collective Wiki! Here you will find lots of information and resources around the Central Illinois area!

What is a wiki and why do we need one?

That question is best answered here in long form.

This wiki is built on an open source software called bookstack. The way the wiki is organized is explained here.

Contributing

If you'd like to help maintain the wiki or add some content, please consult the Contributing Guide and familiarize yourself with the guidelines.

Once you're ready, you can apply to become an editor by filling out the Wiki Access Request Form
